

NCS Afterschool HOMEWORK CLUB
for Middle School Students
Tuesday and Wednesday Sessions offered

Description: Homework Club is an after school opportunity to gain extra support with main lesson, math, or language arts homework. This year, we plan to limit the numbers in HW Club and offer more sessions so students can rotate in and out more frequently. Top priority will be given to students whose parents have received a "HW Club Referral" email from a middle school teacher.

Details:

- HW Club takes place on Tuesdays and Wednesdays after school **in the computer lab** from 3:00pm - 4:00PM (please note slight time change from last year)
 - At least 2 NCS teachers (Mr. Kinney, Mr. Betz, and/or Mr. Cronin) will facilitate each session and offer a great deal of attention and support for the students attending.
 - 5 sessions of 6 weeks each will be offered. Dates of all 2019-20 sessions are on the next page.
 - To support the program, voluntary donations are appreciated but are not required for students to attend.
 - A limited number of spots will be available. If a session fills up, your child may be put on a wait list. Your donation will of course be returned if your child is not given a spot.
 - If you are interested in this opportunity for your child, please fill out the attached application and turn it in with your donation the Friday before the session begins.
 - After homework club, students will wait in dismissal area. Prompt pick up is required as there is no supervision or office staff available.
-

NCS Middle School Homework Club Request to Participate Form

Please Check One:

- Referred by Teacher:** _____ (name of referring teacher)
- Parent Request**
