

Novato Charter School

Middle School Math Teacher Job Description

The position is part-time, including 14 periods of classroom instruction, 2 after-school sessions, and daily recess study hall support (20 minutes / day).

Reports to: Director

Responsibilities:

- Coordinate curriculum development of school's overall math program. School uses Big Ideas math curriculum.
- Classroom instruction of grades 6, 7 and 8 math subject classes as per school schedule
- Work with grade 5 teacher to understand student preparation prior to entering grade 6
- Homework help with students two hours per week after school
- Communication with parents and class teachers re: students' math progress

The Math Teacher integrates Waldorf methods with other current best math practices and aligns curriculum as closely as possible with Common Core Standards. The Math Teacher will devote special attention to academic excellence, academic and developmental differences, developmentally appropriate curriculum, thorough lesson preparation, classroom management, and special education modifications.

Teaching schedule:

- As scheduled per published School Schedule
- Two 60 minute math tutorial session after school per week for grades 6-8 (optional for most students, required for others as math and class teachers see fit)

Qualifications:

- Single Subject Math or Multi-subject California State Credential
- Waldorf training ideal

Requirements / Qualifications:

Copy of appropriate credential: Multiple Subject or Single Subject Mathematics & Single Subject Social Science

Resume

Cover letter

Minimum of 3 letters of recommendation

Novato Charter School in Marin County, California is accepting applications for a part-time Middle School Math Teacher (6th-8th grades) for the 2019-20 school year. Qualified applicants must have a California Teaching Credential or be enrolled in a credential program.

We seek candidates who have high academic standards, the ability to respect and engender the respect of students of all ages, the knowledge, skills, and enthusiasm to engage students of all temperaments and ability levels, and the interpersonal skills to work collaboratively with colleagues, administration, and parents. We recommend that all applicants review our [Website](#) and [Core Values and Mission Statement](#).

NCS is guided by the core principles of Public Waldorf Education serving approximately 280 students in grades TK–8. NCS’s talented faculty is supported by an involved parent body. In addition to our class teachers, our curriculum provides Specialty Teachers for classes in Spanish, Music, Games & Movement, Organic Gardening, Handwork, and Middle School Math. You will find our faculty warm, supportive, accepting and devoted to their school. We have a great time working together as we hone our craft as Waldorf educators in the public sector. We offer a competitive salary as well as health, retirement benefits, and a school year calendar designed for sustainable teaching and learning. We offer priority enrollment for students of hired faculty members.

The posting is open until filled.
