Dear Benefactor,

Novato Charter School (NCS) is preparing for its annual Enchanted Garden Benefit Event, which raises funds essential to maintain high quality education. NCS is a community dedicated to using educational methods guided by the Core Principles of Public Waldorf Education.

This generation of children will be forever marked by the COVID-19 era. Within the confines of public health guidelines, NCS is innovating and implementing creative solutions that offer our children the promise of ongoing education and a hopeful future, in spite of all odds.

Your donation will make a critical difference. It will provide vital funds that allow NCS to continue operating as a magical, much-in-demand public school that produces students who are ready to embrace and improve the world. This includes enhancing our curriculum, ensuring that our students are provided with amazing faculty and funding our speciality programs such as music, Spanish, art, movement and so much more.

We are requesting your support of a tax-deductible auction item, cash donation or sponsorship.

We realize that as a business or individual you are going through a difficult time as well and it is, of course, always our hope that your donation is mutually beneficial.

Donors will receive valuable exposure through our extensive Online Catalogue that includes your donation, company logo and a direct link to your website. The Online Catalogue is accessed by hundreds in the Marin Community and beyond.

**Donation Deadline is March 24, 2021**
