

Spring has sprung and it's almost time to dance around the maypole! Join us May 7 from 9:30am-12pm for spirited dancing, beautiful music and delicious food. As always, we plan to keep the festival clean, green and zero waste, so please bring your own plates, cups and silverware.

There will be handmade crafts offered by the Elves, fresh-squeezed lemonade compliments of the Kindergarten classes, and henna designs. Support the middle school and buy your picnic! Offerings include a burrito bar, salad bar and desserts.

All students should arrive to their classroom by 9:30 am. The festival procession begins promptly at 9:50 am. Children are requested to wear white or light-colored clothing (no jeans, please), a hat, and most important --comfortable shoes for skipping and dancing. Remember to apply sunscreen and bring a water bottle. The children sit with their classmates under their grade tent during the performances.

To create the beautiful head garlands for the 1-3 graders, flower donations from your garden will be collected at drop-off on Thursday, May 5th. Small, hardy flowers are best since they will need to survive one night without water. Bags of rose petals already torn from their heads are much appreciated!

You can also support the festival with a donation at the entrance table-consider \$20/family or sign up to help: <http://www.signupgenius.com/go/70a054eafad29aa8-spring2>
